

# **Nicola Forster**

## **Headteacher**

I joined North Primary in 2015 and currently work alongside the Governing Body to support the standards in the school.

I began my leadership career at Hathaway Primary where I was appointed Deputy Headteacher and then moved into the position of Acting Headteacher. My first post as Headteacher was at Ryefield Primary where I oversaw some exciting changes in the school, including a £3.5 million rebuild.

Throughout my career either teaching in a school, as a consultant within the Ealing borough or as a member of the Leadership team, I have been passionate about Early Years and phonics.

Through supporting the teaching staff in all the schools I have worked, I am very pleased to see an improvement in their SATs scores and the teaching and learning standards.

I have lived in Ealing since the age of 5, and my spare time I enjoy running.
