

Rahma Elmi

LA Citizen Governor since September 2018

I have lived in Ealing since the age of 10 and I was educated in Ealing for both Primary and Secondary school. Following this I undertook a university education and graduated in Communication and Cultural Studies. I have spent the past 15 years working in the local voluntary sector and since having my family I have been a freelance consultant including working with the Council and the Home Office.

As a mother of primary aged children I have a passion for local schools providing the best for all our children. I know North Primary School is certainly one that is striving to be the best and I would like to use my skills and talents to support it to succeed and improve even further. I feel that I can cast an independent eye over the workings of the school and bring a fresh perspective to the work of the existing governors.

I welcome the opportunity to help the school in any capacity I can.
